

DIRECTIONS TO STRATHLEVEN HOUSE

Strathleven House is a Palladian Mansion, now situated in the Vale of Leven Industrial Estate just on the western edge of Dumbarton.

Travelling from the east, directions are as follows:

- Proceed along the A82 towards Dumbarton.
- At the traffic lights at Milton, continue straight ahead (ie do not bear left as you would have done to get to The Dumbuck Hotel).
- At the Barloan roundabout, go straight ahead (second exit) continuing to follow the A82 dual carriageway.
- At the Lomondgate Roundabout just a minute later, turn right (third exit) and go straight through the next, small roundabout.
- Proceed along the road to the Lionsgate roundabout, take the first exit into the Vale of Leven Industrial Estate and be careful to bear right along the main Estate road and not straight ahead into "Chivas" by mistake. In the dark it can be confusing.
- Strathleven House is just round the corner on the right hand side and the (surprisingly narrow) vehicular entrance is just before you reach the House itself.
- Proceed along the drive, past the House and into the car park.
- Walk back along the roadway to reach the front door of the House.

Travelling from Helensburgh, directions are as follows:

- Proceed into Dumbarton and turn left at the main roundabout by the station.
- Carry on up Townend Road to the Barloan roundabout.
- Turn left onto the A82 to the Lomondgate roundabout and follow the directions above from that point.

Travelling from Alexandria, the directions are as follows:

- Proceed through Renton and onto the A82.
- At the Lomondgate roundabout take the first exit and follow the directions above from that point.

For satnav users, the coordinates are:

and the postcode is G82 3PD (although this might give you other buildings on the Estate too).
